### **BACKGROUND**

The City of Chino is fortunate to have multiple non-profits dedicated to serving the public and preserving Chino's unique history. To assist in their ongoing efforts, the City Council from time to time, authorizes expenditures from the City's community support fund. These expenditures serve a valid public purpose by helping to continue the outstanding services that these organizations provide to our community.

### **ISSUES/ANALYSIS**

To continue this tradition, Council Member Lucio recommends that the City Council approve the following contribution:

- \$1,000 to the Relay for Life of Chino

By approving this contribution, this non-profit organization will be better equipped to provide services to our community. Therefore, as proposed by Council Member Lucio, staff recommends that the City Council approve a community support contribution to the above non-profit in the amount specified.
