## **BACKGROUND**

The City of Chino is fortunate to have multiple non-profits dedicated to serving the public and preserving Chino's unique history. To assist in their ongoing efforts, the City Council from time to time, authorizes expenditures from the City's community support fund. These expenditures serve a valid public purpose by helping to continue the outstanding services that these organizations provide to our community.

## **ISSUES/ANALYSIS**

To continue this tradition, Mayor Pro Tem Haughey recommends that the City Council approve the following contributions:

- \$500 to Rancho del Chino Rotary
- Soroptimist International of Chino
- Kiwanis Club of Chino
- HOPE Family Resource Center

By approving this contribution, these non-profit organizations will be better equipped to provide services to our community. Therefore, as proposed by Mayor Pro Tem Haughey, staff recommends that the City Council approve community support contributions to the above non-profits in the amounts specified.
